MID-HUDSON VETERINARY PRACTICE, P.C.

Thanksgiving and Gratitude

HOLIDAY 2008

We at Mid-Hudson Veterinary Practice would like to express our deepest gratitude to our clients for their friendliness, kindness, trust and loyalty.

We appreciate you and all of your animal companions.

Gratitude is not only the greatest of virtues, but the parent of all the others. **Cicero**

Appreciation can make a day, even change a life. Your willingness to put it into words is all that is necessary. **Margaret Cousins**

What will be missing from your December invoices?

We will be removing the fuel surcharge for December as the decreasing price per barrel of oil has shown us all the silver lining in a bearish economy.

As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them.

THE CORNER MAILBOX

Meet Aaden, a two year old, neutered male, brindle Boxer. Aaden is 96 pounds of wiggly and playful energy. He is thankful for having a warm loving home to stay with, but Aaden's dream is to find a forever home before the new year begins. You see Aaden is a *Boxer Angels Rescue* boxer and is living with "Office" Deb and her family as a foster. This wonderfully happy guy deserves a home and family of his own. If you are interested in more information on Aaden or Boxer Angels Rescue you can find them on the web at www.BoxerAngelsRescue.com.
